## CIFM/interzum guangzhou 2022 to be rescheduled to July 26-29

Dear Exhibitors, Visitors and Industry Colleagues,

Following the COVID-19 measures released by the Guangzhou Municipal Commerce Bureau in March, Koelnmesse - the organizer of Asia's leading furniture production, woodworking and interiors trade fair - has announced the rescheduling of the annual event which was originally slated to take place from March 28-31.

After careful considerations, this year's edition of CIFM/interzum guangzhou will be moved to July 26 to 29. The event will continue to be held concurrently with the China International Furniture Fair Phase II (Office Show) at the Canton Fair Complex, Pazhou, Guangzhou.

Koelnmesse will actively cooperate with the authorities to implement the necessary measures to effectively safeguard the health and safety of all participants and provide a conducive and efficient business environment for the industry's reunion.

We thank all industry stakeholders for your unwavering support and trust, and pledge to do our best to provide relevant services and assistance to those affected. We will continue to spare no effort to play the role of a global trading platform, and a driver to empower industry development.

Further arrangements pertaining to the adjustment of the exhibition period will be announced through official platforms in a timely manner.
